Why wait for new construction when this home built in 2020 is ready NOW and MOVE IN READY. This well appointed single story home has an open floor plan with 2 bedrooms and a bath on one side of the house with the master bedroom suite being separate on the other. The kitchen, refrigerator included, is open to the great room and dining area with an island for entertaining. The 65" TV in the great room will convey with the house and the reclining sectional can be yours too! The house also comes with a Ring doorbell, paid off CPI security equipment and years left of the builder's warranty. The large fenced in backyard has a pond view and the entire yard has irrigation. The home is covered by a termite bond through Home Team and flood insurance is not required. Oakfield has a community pool and miles of trails.

Centrally located on Johns Island, this community just off the Maybank corridor is close to shops, restaurants, downtown Charleston and the beaches!
